Asante, Thank You!

On behalf of Lukobe Project, we would like to thank you for your generous support. I am pleased to announce that our Charity Dinner and Auction on November 14th raised over \$30,000.

Each year Lukobe Project continues to advance its mission to empower, motivate and generate action within the community of Lukobe. Some of last year's successes include a tree program where over 600 trees were planted on Lukobe property and our annual health fair which focuses on malaria and HIV/AIDS. Last year over 400 people came to get tested for HIV/AIDS and attended an information session on malaria where they received a bug net. In October we also had our first graduating class from our tailoring program. These women are now working towards starting their own small businesses'.

Thanks to your support Lukobe Project will continue to support Lukobe Orphanage and the valuable programs we currently offer. The big project for this year will be the Lukobe Community Centre. The Centre will serve as a community meeting place, an adult learning centre, a forum for speakers and educational videos, and for entertainment and tutoring.

Our efforts to continue our work in Lukobe would not be possible without your help. Your commitment to helping women and orphaned children in Lukobe is greatly appreciated.

Sincerely,

Dawn Schaller.
